Public Transport Quality Manager
Tartu City Transport

TARTU

29/08/24

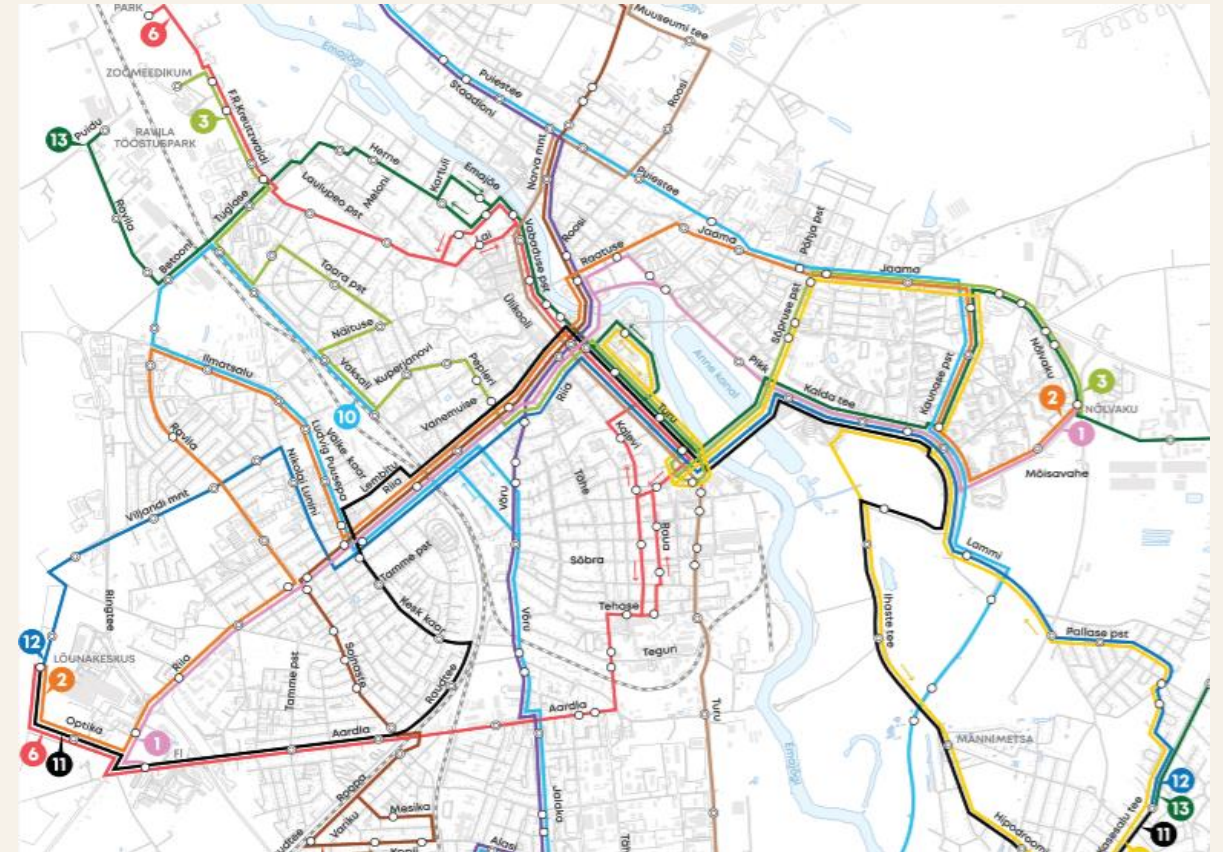

City buses

66 buses

- Normal and articulated buses with low floors
- Environmentally-friendly source of fuel
- Air-conditioning and heating

16 lines

- Mostly pendulum lines
- 10 to 30 minute intervals

Tartu bus card

Buy it (2€) from:

- Selver, Rimi, Prisma, R-Kiosk
- Post office
- Information Centre of Tartu

Personalise the bus card with an ID card at tartu.pilet.ee or with a personal ID code at the Information Centre of Tartu

Both personalised and non-personalised cards can be used, but only personalised cards (a card linked to one particular person) can receive a travel concession.

Using a personalised card also ensures that your credit is preserved in the event of losing your card.

Buying the ticket

<https://tartu.pilet.ee/buy>

- Add money to the bus card
- Buy the multi-day tickets

Using contactless bank cards (1-hour ticket 1.50€)

Ticket prices

<https://tartu.ee/en/inner-city-bus-transportation#ticket-prices>

- Resident or non-resident
- Discount groups are based on age:
child (7-19), youth (20-26), elder (64 and more)

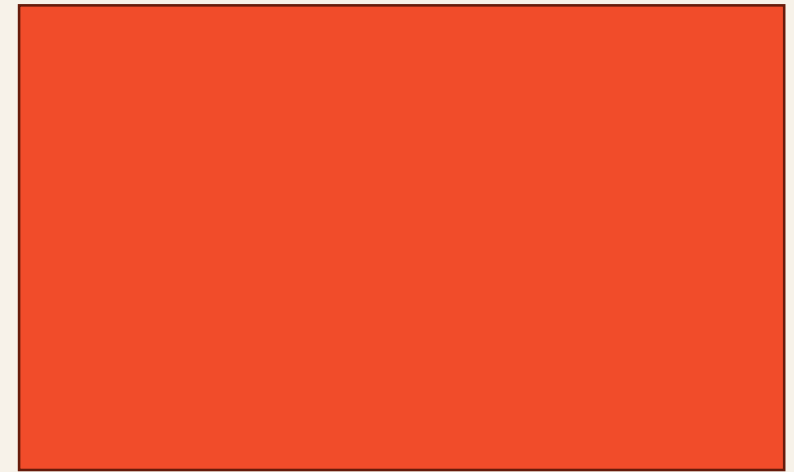

Time schedules

<https://web.peatus.ee/>

- Use the travel planner
- View timetables

Google Maps

Mobile application Tartu bussiajad

The screenshot displays a travel planner interface. On the left, it shows "Itinerary suggestions" with a search bar containing "Raekoja Plats 3, Tartu linn, Tartu linn, Tartu" and "Narva Maantee 18, Tartu linn, Tartu linn, Tai". The departure time is set to 11:09. Below the search bar, there are icons for walking (11 min, 800 m) and cycling (4 min, 950 m). The main part of the screen shows a list of itinerary suggestions with their respective times and walking distances. On the right, a map shows the route between the starting and ending points, with various landmarks and streets labeled.

Time Range	Walking Distance	Walking Time
11:14 - 11:25	3 bus, 6 walking	11 min
11:21 - 11:28	3 bus, 7 walking, 2 walking	7 min
11:20 - 11:32	7 walking, 4 bus, 2 walking	12 min
11:23 - 11:35	3 walking, 31 bus, 7 walking	12 min

Using the bus in the city of Tartu

- In order to get on the bus you have to show interest in getting on the vehicle when the bus is approaching.
- Pilot project (until the end of September):
From 19:00-07:00 enter the bus through the front doors.
- When entering the bus you have to register your ticket at the validator.
- In order to get off at your desired stop you have to press the STOP button.

Bike sharing

750 bicycles

- of which 500 are electrical

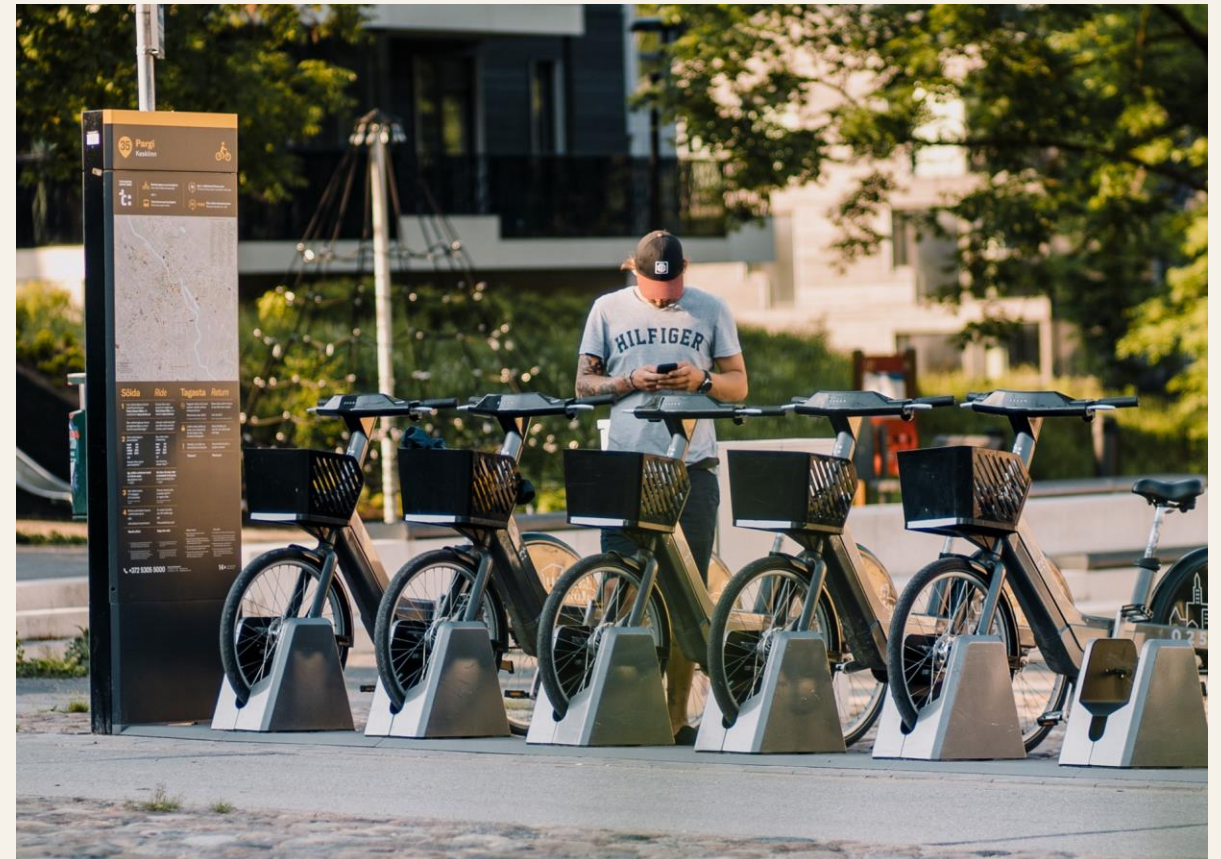

100 docking stations all over the city

Integrated with Tartu bus service

- You can use your bus card
- Joint bus and bike share ticket

Year-round service

- 250 non-electrical bicycles in the winter

How to use the bike sharing system?

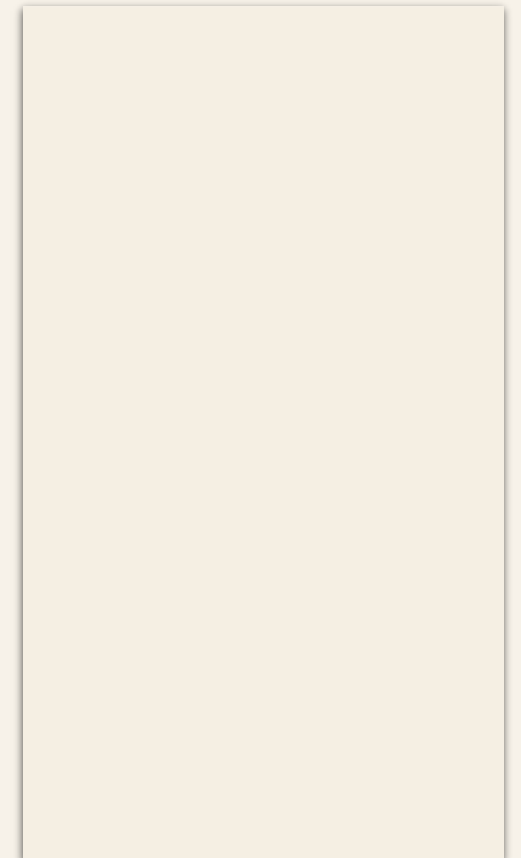

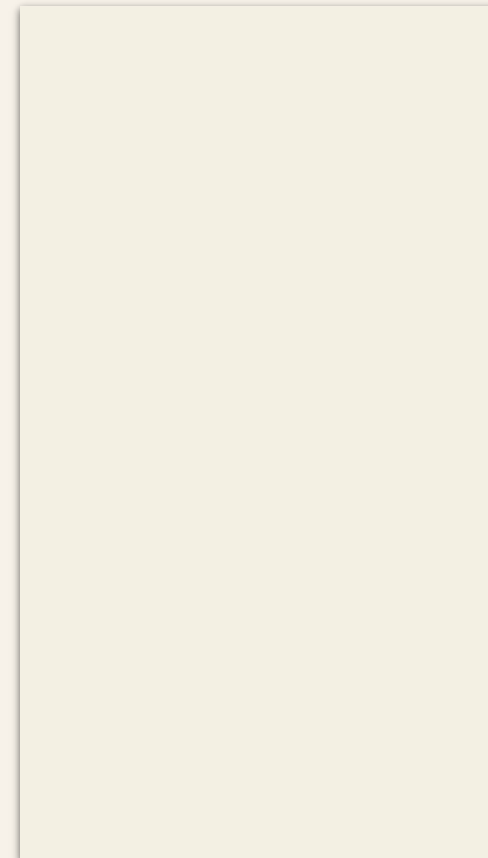

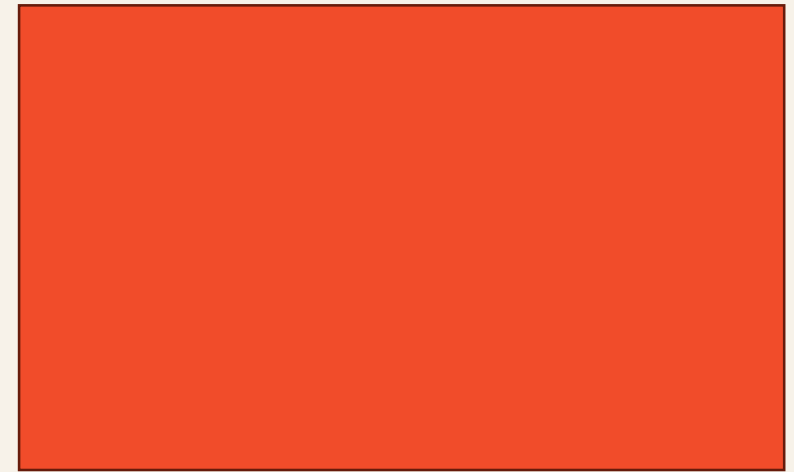

Unlock a bike using the Tartu Smart Bike mobile app or your bus card.

Enjoy your ride, explore the city, and return the bike back to a station in time to avoid extra fees.

- Your ride can last for 1 hour without extra fees
- Your on ride can be up to 5 hours total
- Use the additional lock found in the front basket to temporarily lock your.

Dock your bike at any station. Listen for the confirmation sound and check the bike screen for the "bike docked" message.

Tartu Smart Bike Share workshop at 13:00.

Thank you for listening!
